Topics

- Assignments

- Review the Tender: Replacement of Existing Building Main Switchboard
  - Contents of the ZIP file
  - Specification Switchboard
  - Tender Forms

Assignments

- Assignments across PPMP20008/09/10 are to be completed in the context of the tender/case
- Select one tender/case:
  - Real world government tenders
    - Engineering & Construction,
    - IT/Telecom/Software,
    - Financial & Business Services,
    - Government/Non-Profit/Welfare
  - Current at the start of this course
- The chosen tender/case is to be used for your project assignments across PPMP20008/09/10
  - Initiating
  - Planning
  - Executing
  - Monitoring & Controlling
  - Closing

Specification Switchboard

Table of Contents

1 Record of Issue ... 4
2 General ... 4
2.1 Interpretation of Terms ... 4
2.2 Form of Contract ... 5
2.3 Tender / Contract Documents ... 5
2.4 Documents Provided by the Engineer ... 5
2.5 Alternatives ... 5
3 The Scope of Work ... 6
3.1 By the Contractor ... 6
3.2 By Others ... 7
4 Pre and Post Tender Requirements ... 7
4.1 Application ... 7
4.2 Familiarisation ... 7
4.3 Programme ... 7
4.4 Hold Points ... 8
4.4.1 Requirement ... 8
4.4.2 Written Notification ... 8
4.5 Documentation to be Submitted Prior to Commencement ... 8
4.6 Continuity of Existing Services ... 9
4.7 Site Access ... 9
4.8 Inspection of the Works ... 9
4.9 Defects Liability ... 9
4.10 Maintenance ... 10
4.10.1 Generally ... 10
4.10.2 Routine Testing and Maintenance ... 10
4.10.3 Call-out Service ... 11
5 General Installation Requirements ... 11
5.1 Materials and Workmanship ... 11
5.2 Existing Installation ... 12
5.3 Temporary Work ... 12
5.4 Cutting and Chasing ... 12
5.5 Fire Stopping ... 12
5.6 Interference and Segregation of Services ... 12
5.7 Finishes ... 13
5.8 Colours of Equipment and Accessories ... 13
5.9 General Cabling and Wiring Practices ... 13
5.10 Cable Support Systems ... 13
5.10.1 Generally ... 13
5.10.2 Cable Tray ... 14
5.11 Hoisting and Scaffolding ... 14
5.12 Explosive Fixing Devices ... 14
5.13 Cleaning Up and Removal of Rubbish ... 14
5.14 Record Documents ... 14
5.15 Maintenance Logbooks ... 15
5.16 Reports ... 16
6 Alterations & Additions Works ... 16
6.1 Supply ... 16
6.2 Utility Metering ... 16
6.3 Co-generation Agreement ... 16
6.4 Main Switchboard (MSB) ... 17
6.4.1 General ... 17
6.4.2 Construction ... 19
6.4.3 Manufacturer's Information Label ... 20
6.4.4 Installation ... 21
6.5 Existing Automatic Transfer Switch Panel ... 21
6.6 Existing Generator Control Panel ... 21
6.7 Surge Protection ... 22
6.8 Active Power Regulator (APR) ... 22
6.8.1 APR System ... 22
6.8.2 Performance Requirements ... 23
6.8.3 Control & Monitoring ... 23
6.8.4 APR Construction ... 24
6.8.5 APR Installation ... 24
6.9 Switchgear and Control Gear ... 24
6.9.1 Lockable Main Isolator ACB's ... 24
6.9.2 Automatic Transfer Switches ... 25
6.9.3 Power Management Meters ... 27
6.9.4 Main Switchboard Sub-main Control & Other MCCB's ... 27
6.9.5 Fuse Carriers and Fuse Bases ... 28
6.9.6 BMS Control & Monitoring Terminals ... 28
6.9.7 Current Transformers ... 28
6.10 Electrical Cables and Wiring ... 29
6.10.1 Generally ... 29
6.10.2 "Normal" Supply Mains Cables ... 29
6.10.3 Rerouting / Extension of Existing Sub-main Cables ... 29
6.10.4 Existing "Emergency" Supply Mains Cables ... 30
6.10.5 New "Emergency" Supply Mains Cables ... 30
6.10.6 Temporary MSB Interconnecting Cabling ... 30
6.10.7 240V Control Wiring ... 30
6.10.8 BMS Monitoring ELV Control Wiring ... 30
6.10.9 BMS Communications Wiring ... 30
6.11 Prospective Fault Levels and Discrimination ... 30
6.12 Labelling ... 31
6.12.1 Switchboards, Control Panels & the Like ... 31
6.12.2 Cables ... 31
6.12.3 Warning Notices ... 31
6.12.4 Informative Notices ... 31
6.12.5 BMS System Upgrading / Programming ... 31
6.13 Preliminary Testing & Commissioning of Installation ... 38
7 Final Acceptance ... 39
8 Practical Completion ... 40
8.1 Generally ... 40
8.2 APR Performance Verification ... 40
9 Appendix A ... 41
10 Tender Form ... 44

Documents to review

- Tender Response
  - Part 1 of 3- Tender Forms.doc
  - Part 2 of 3- Schedule of Rates.xls
  - Part 3 of 3 Tender Schedules.docx

- Conditions
  - Tender Conditions.pdf
  - General Conditions.pdf
  - Special Conditions.pdf
  - Supplementary Conditions of Tendering.pdf
