ITC504 Assignment-1 Discussion

Dec 1-4:16 PM

Include the following in your assignment.

Your project brief should include the following sections:

1. Overview
2. Vision
3. Outcomes
4. Scope
5. Objectives, Outputs and Targets – this can be revised in assignment-2
6. Success Criteria – this can be revised in assignment-2
7. Key assumptions

Pay more attention for the sections highlighted in red.

Dec 1-4:16 PM

1. Overview - give an idea of the case study. What's the purpose/aim of your report. What you expect to do, to find, what do you recommend.

2. Vision - What sort of a online book app do you expect to design. How do you visualise that. What functions and useability features do you expect to include in it.

Dec 1-4:18 PM

3. Outcomes - What do you expect once the design is completed. Consider outcomes for the:

a. business - what the business will get.

b. users - what the users will get.

4. Scope - what requirements are covered by the design.

a. functional requirements

b. useability requirements

c. other non-functional requirements

Dec 1-4:23 PM

5. Objectives, Outputs and Targets – give a project schedule in a table

Objective	Output	Target
identifying the user requirements	establish a table set of requirements.	14/03/2017

Dec 1-4:29 PM

6. Success Criteria – how do you measure the success of your interface designs.

a. What feedback will be given by the users - using a questionnaire. give examples.

b. what measures can you use to see whether the book shop has improved.

Dec 1-4:31 PM

7. Key assumptions - what assumptions (make some true statements) do you make about:

a. users and their skills -

b. technologies to be used/available -

Dec 1-4:36 PM

Presentation

1. Include a cover sheet
2. include a contents page
3. include page numbers
4. Name and number the figures, tables.
5. Use meaningful headings and sub headings
6. Write simple and clear sentences.
7. Write specific sentences, not general.
8. etc.

Dec 2-3:39 PM

Refernces

1. Include references on usability principles and others relevant to the assignment.
2. Follow APA 6 standard.
3. Make sure you site the references within the text/descriptions (citations).
4. refer to your figures and tables by using figure numbers and table numbers.

Dec 2-3:41 PM
