

**SEMESTER 2, 2012**

**ECB1252 INTRODUCTION TO THE COMPUTING PROFESSION**

**Assignment-2: Researching My Career.**      **My Career is Graphic Designer**

**Description:**

In this assignment you will first conduct further research into your chosen career and then describe the outcomes of this research in a report of 1000-1500 words, plus an appendix comprising of the transcribed interviews.

The following steps will be helpful.

1. Find one or more people working in the chosen profession and interview them. Ask questions such as:
  - a) Why did you choose this profession?      **Interview I prefer it with an IT expert**
  - b) How did you get the job?
  - c) How did you prepare for doing the job well?
  - d) How do you find your job?
  - e) Would you like to stay in this job or change?
  - f) Any other aspects of the job you want to talk about.
  - g) ...
2. [REDACTED]
3. Transcribe the conversation, i.e. **type it word-by-word in a document that will become the appendix of your report**
4. Write a report under the following heading;
  - Who did you interview and why.
  - What were the main points you learnt from these interviews?
  - What is your current thinking about the chosen profession?
  - What is your new plan for learning to join this profession?

**List of Reference:** In this section list all the websites and other references you have used. Provide in-text references for your sources of information. Follow the APA referencing style. Refer to “A Quick Guide to Referencing” available on:

<http://w2.vu.edu.au/library/referencing/files/4215%20APA%20Guide%20v4%20240910.pdf>

Show Nalin drafts of the submission to get feedback in the Laboratory class of weeks 9/10.

A well-presented and printed copy of the report with cover sheet must be given to Nalin personally in his office by hand on or before 4.00 PM, on the Friday of Week 12. A copy of the assignment must be emailed to [Nalin.Sharda@vu.edu.au](mailto:Nalin.Sharda@vu.edu.au) by 5.00 PM on the Friday of Week 12.
