#### **CHARTING YOUR SEVEN HABITS EFFECTIVENESS**

Total your points for each category in the Category Totals column. There are nine categories; the first two are the foundational habits of the Seven Habits, and the last seven are the Seven Habits.

After you have computed your category totals, mark each score in the grid below and graph your totals.

The higher your score, the more closely you are aligned with the Seven Habits principles. Where your score is lower than you would like, refer to the corresponding chapters (or modules) in The Seven Habits of Highly Effective People book (or video program) to better understand how to increase your effectiveness in those habits.
